

NORWAY LATE.
was the best week for Thanks-
for see how beautiful "the sweet
night of the moon." The Frost
d an unwise thing in proclaiming
one week later. Gov. Cleaves
have gained impendible favor
ing us an independent old fashi-
e Thanksgiving like we had before
t.

C. A. Stephens has returned
two weeks hunting trip away up
in the north of the Maine. He
d down three deer with his merr-
e, a fine moose saved his life by
at a safe distance. There is a
ply of deer steak at the Stephens
n.

the seasons vary in November
r before this time there were
towns three of snow and four of
we was froze up and they out, the
ere awful to travel over. There
no storms this year of any ac-
the weather fine and the traveling
s the republicans victories ought
e business boom.

inds are the one thing needed.

Edwin Stiles late missionary to
as at Benj. Tucker's the well ap-
a Buck says a well appearing
ame to his house inquiring the
tation. He escorted her across
to the Harrison road and she
her way.

May C. Hillman (mother of
Hillman) with her little grandson
o have been sojourning with Mr.
Cleaves through the autumn
let for their home in Virginia.

WEST BROWNFIELD.
Weeks has returned from his
his brother and friends
n. The school which he has
clothing here has closed and he
mence teaching the Porter vil-
ol early in December.

ath of Rosie Ella, wife of An-
te was a sudden and severe blow
many relatives and friends in this
ve place. She was the daughter
of Joseph Libby, and like her
as a member of the General
church and her life was that of a
tation. She was peculiarly at-
tention in her manner and of very am-
position which gained for herself
circle of friends, both here and in
where she died. She was sick
eks of inflammation of the stomach
ended her life.

Currier and wife who closed
age here in October to attend
n's Fair, have now returned
ence and are at their home in
n.
